

REMARKS

In response to the Examiner's restriction requirement, Applicants hereby elect the invention of Group II (e.g., drawn to mirrors with illumination means, as defined by claims 5-23), without traverse. Applicants reserve the opportunity to file a Divisional Application for the non-elected invention later.

Further, Applicants thank the Examiner for the telephone conversation of March 2, 2006. As stated in the Interview Summary of Examiner Negron, the Applicants' representative informed the Examiner that the previous Office Action was mailed to the wrong address, and the Examiner agreed to re-send the Office Action and restart the period for response.

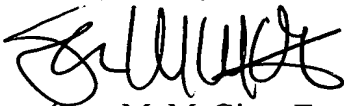

Further, Applicants respectfully request the Examiner's acknowledgment of the priority documents filed on August 13, 2004.

Early, favorable prosecution on the merits is respectfully requested.

Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.

A conditional petition is made for any extension of time which may become necessary. The Commissioner is authorized to charge any fees for such extension and to credit any overpayment in fees to Attorney's Deposit Account No. 50-0481.
